Residents Object To Itinerant Campers

At Tuesday night's meeting of the city trustees, a committee of Eighty-Acre residents appeared to protest against the establishment of unsanitary and noisy camps in that section this summer.

The trustees, working with the local Sanitary Board, will make stringent regulations for these camps.

W. L. Alexander, who is contemplating the establishment here this summer of a tent city in the forest east of the business section, addressed the board at length, in the course of his remarks laying emphasis on the sanitary nature of the proposed camp.

Discussion of ways and means of garbage disposal occupied much of the time of the evening.

Another meeting will be held next Tuesday.

NEWS NOTES

United States army recruiting auto will be at the Carmel Postoffice tomorrow.

While fishing off the rocks one day last week, R. Duriee, in casting a line, lost his footing. In saving himself, a 3-inch fish-hook imbedded itself deeply in his hand. Dr. Beck cut out the hook. Duriee was game, refusing an anesthetic.

A substantial sum was realized from the food and fancy goods sale conducted last week in behalf of All Saints Church. To all who contributed in any way toward the success of the affair the ladies in charge desire to express their appreciation.

Nearly every business place in this city was closed for one hour in the afternoon of Good Friday. Many attended service at the Episcopal Church.

A pleasing feature of the Easter social at Mother Carrington's last Friday was a well executed toy symphony.

The March report of County Auditor A. G. Winckler and Treasurer James Taylor shows the following amounts on hand: Sunset school bonds, \$718.69; Carmelo road fund, \$251.41; Sanitary expense, \$555.93; Sanitary bond 1909, \$405.88; Sanitary bond 1911, \$1425.09.

Plant potatoes and join the local Red Cross—both patriotic duties.

Carmel Citizens Will Back the President and Congress to the Limit

Notwithstanding the rape of Belgium, notwithstanding Holweg's statement that treaties are "mere scraps of paper," notwithstanding the ruthless taking of American lives, notwithstanding Zimmerman's Japanese-Mexican plot, and notwithstanding many other illegal and inhuman acts on the part of the German government, E. A. Hayes, representing the Eighth California District in Congress, voted "No" on the declaration of war.

If Congressman Hayes had been present at Carmel's patriotic meeting last Friday night he would have heard enough to cause him to vote "Yes" should occasion again arise, and should he still be our representative.

A gathering which taxed the capacity of Manzanita Hall was on hand when chairman George W. Fishback, in a ringing address, called the meeting to order and stated its purposes. He said:

The moment that the Government of the United States reached a decision in the present crisis in international affairs citizens of the United States in communities of all sizes have felt it to be their duty, irrespective of their predilections, irrespective of their previous opinions as to the nature of that decision, have felt it their duty to gather together, and in the form of concerted assentation to give expression to their fealty to the Government, and to pledge their whole-hearted support to its undertakings.

At the conclusion of the chairman's address, W. L. Overstreet presented a set of resolutions (printed in another column), upon which various

ORDINANCE NO. 12

AN ORDINANCE PROVIDING FOR THE LICENSING, REGISTRATION AND IMPOUNDING OF DOGS IN THE CITY OF CARMEL-BY-THE-SEA, AND PROVIDING PENALTIES FOR VIOLATIONS THEREOF.

THE BOARD OF TRUSTEES OF THE CITY OF CARMEL-BY-THE-SEA DO ORDAIN AS FOLLOWS:

Section 1. Every person owning or having control of any dog in the City of Carmel-by-the-Sea shall pay a license tax of Two Dollars (\$2.00) per annum as provided herein on each and every female dog so owned or controlled by him, and a license tax of \$1.50 per annum as provided herein on each and every male dog so owned or controlled by him. The license shall be dated the first day of January of each year unless it is issued on or after the first day of July, in which case it shall be dated the first day of July, and shall be void on the first day of January, or the first day of July, respectively, thereafter.

Section 2. It shall be the duty of the Marshal to collect said license tax and to procure, at the expense of the City, metallic plates or tags having thereon numbers corresponding to numbers of license issued, and figures indicating the year for which said tax is payable. He shall furnish a plate or tag with number corresponding to license number, to each person paying a tax, and shall enter into a book to be kept for that purpose the name of the owner and a description of the dog so entered.

Section 3. Every registered dog shall be provided by the owner or possessor thereof with a suitable collar at least three fourths (3/4) of an inch wide, or some other suitable device, to which shall be attached the plate or tag provided for in Section 2 hereof, and such collar or device must be worn by such registered dog at all times.

Section 4. Whenever a dog tag, issued for the current year by the Marshal, has been lost, or taken, or stolen by parties unknown to the owner or person having control of the dog for

which the same was issued, such owner or person having control of such dog may, on the payment of Fifty (50) Cents and on making and subscribing to an affidavit of such loss of such tag, receive from the Marshal a duplicate tag for the remaining portion of the year for which the original tag was issued.

Section 5. Every dog not registered or registered and not wearing a collar or device as herein provided, found running or being at large on any public street, lane, alley, park or other public place in said City shall be taken up by the Poundmaster and impounded. The Marshal shall immediately notify the owner thereof in writing, if known to him and shall post three (3) notices in three public places. Said notices shall contain a description of such dog or dogs and shall state that unless reclaimed, it or they will be sold at public auction to the highest bidder, at a time and place to be specified in said notice, which shall not be less than three or more than ten days from the posting thereof, and if said dog or dogs are not reclaimed before the expiration of the time specified in the notice, the Poundmaster shall proceed to sell the same at the time and place and in the manner specified in said notice. In case there is no bidder for said dog or dogs, the Poundmaster shall kill the same without unnecessary cruelty, and bury the same as provided by Ordinance of said City.

Section 6. The owner of any dog impounded shall have the right to reclaim the same at any time prior to the sale thereof upon payment to the Poundmaster of the cost and charges hereinafter provided under this ordinance for impounding and keeping said animal, or if sold, to receive the proceeds of the sale thereof, less the cost and charges aforesaid, within thirty (30) days after said sale, upon satisfactory proof of his or her ownership of the property sold.

Section 7. The Poundmaster shall charge and collect from the owner of any dog taken and impounded or kept by him the sum of Two Dollars (\$2.00), and a further sum for keeping the same per day of Ten Cents (10c) for each dog.

Section 8. Any person owning or having charge, care or control of any

dog, who shall permit or allow the same to run at large on any street, lane, alley, park or other public place within the corporate limits of the City of Carmel-by-the-Sea, and any person who shall permit or allow any dog to be kept or to remain upon any premises under his immediate control, unless such dog shall be registered and shall have a collar attached thereon, on which there shall be a tag inscribed as in this Ordinance provided, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine not exceeding Twenty-five Dollars (\$25.00). The judgment imposing such fine may provide for its collection by imprisonment in the County Jail of Monterey County, California, for the time, at the rate, and in the manner provided by law.

Section 9. Any person who shall imitate or counterfeit the tags in this Ordinance provided for, or who shall use any imitation or counterfeit of such tag, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine not exceeding Fifty Dollars (\$50.00), or by imprisonment for a period not exceeding fifty (50) days in the County Jail of Monterey County, or by both such fine and imprisonment. The judgment imposing such fine may provide for its collection by imprisonment in the County Jail of Monterey County, California, for the time, at the rate, and in the manner provided by law.

Section 10. This ordinance shall be in force and take effect thirty (30) days after its final passage and approval.

PASSED AND ADOPTED by the Board of Trustees of the City of Carmel-by-the-Sea this 3rd day of April, A. D. 1917, by the following vote:

Ayes: Trustees Frazer, Beardsley, Johnson, de Saba.
Noes: Trustees None.
Absent: Trustees Taylor.

Carmel Citizens Will Back the President to the Limit

Continued from Page One
speakers based their remarks.

The audience was roused to a high pitch of enthusiasm, not only by the fervid remarks of the speakers, but by the singing of patriotic airs, led by Mrs. Mabel Gray Young, and by the display of United States flags.

Almost without exception the speakers affirmed their fealty to the principle of peace; they deplored the necessity of the United States going to war. But the overwhelming sentiment of those present was, that, being at war, not of our own initiative, but by force of circumstances, it was the duty of every citizen to back the President and Congress to the limit, that the war be brought to a conclusion successful for the United States.

It was pointed out that the participation of this country in the war is an act in behalf of all mankind. No longer shall it be possible for autocratic government, such as is represented by the German Kaiser, to exist. The United States enters this conflict with high ideals and a beneficent purpose—i.e., the inculcation of the principle of government of, for and by the people.

For seventeen minutes the audience, with demonstrations of disapproval, listened to Dr. P. W. Search's pacifistic remarks. The speaker, while declaring his sympathy with the spirit of the resolution, did not endorse that paragraph which stated that the President had exhausted every honorable means to avoid a conflict. Dr. Search very evidently selected the wrong time and the wrong occasion for a dissertation on peace, judging from the wild applause which greeted the remarks of those who replied to him.

Mrs. R. J. DeYoe and others made strong appeals for cooperation in the work of the Red Cross.

The resolution was adopted by a standing vote. Not a voice was raised in objection.

Amidst the waving of flags and the singing of "America" the first patriotic meeting in Monterey county, since the declaration of war, adjourned.

WEEKLY GREETING

Friendship must be something else than a society for mutual improvement—indeed, it must only be that by the way, and, to some extent, unconsciously.

EDITORIAL BRIEFS

The ordinary American is patient and long-suffering, but there are few who will just now tolerate for long the disrespectful and sneering manner in which certain aliens and peace-at-any-price persons in Carmel refer to our President and our institutions.

Where is Carmel Highlands? a number of recent visitors here have asked. Answer: It is on the Coast Road, about two miles south of Pt. Lobos.

Some announcement is about due as to the summer plans of Carmel's two dramatic organizations. The only definite information at hand is that Perry Newberry is to be the producer of the Forest Theatre Society's offerings.

During the last two weeks the gatherings at the local Postoffice at mail-distribution time made it appear that we were already in the midst of summer. Carmel is surely becoming a year-round resort.

Edgar Watson Howe, the Kansas philosopher and humorist, has recently come to the little-town man, and in no uncertain terms. "I never visit a country town," he says, "that I do not meet men whose lives afford a lesson or an inspiration." Surely, the small town has its big men, just as the large town has its small men. In neither case is it the size of the town that calls for attention, when considering the size of the men.

Notice to TAXPAYERS

All taxpayers are required by the constitution to annually make and deliver to the Assessor a statement, under oath, setting forth specifically ALL the real, personal, or other class of property, owned by such persons, or in their possession, or under their control, as the same stands of record at 12 o'clock Meridian on the first Monday of March.

The Political Code provides, that all property must be assessed at its "full cash value," and defines "full cash value" as being "the amount at which the property would be taken in payment of a just debt from a solvent debtor."

Unsecured Personal Property

The taxes on all unsecured personal property are due and payable and must be paid at the time the assessment is made.

Exemptions

Any person or association, claiming any property to be exempt from taxation, MUST make the claim and affidavit, for such exemption, every year, in the manner provided by law. This applies to the \$100 allowed on personal property of householders; the \$1000 allowed soldiers, sailors, marines, etc., and property used solely and exclusively for religious worship.

Assessments

Any information desired relating to assessments will be gladly furnished on application, and all objections should be made before the Board of Equalization adjourns, instead of waiting until it is time to pay taxes.

Remember, that if you fail to make a statement you fail to comply with the law and you law yourself liable to arbitrary assessment, which is expensive to yourself and causes much trouble to others.

Gratitude

Paris, France,
February 3, 1917.

Secretary Red Cross,

Carmel-by-the-Sea, Cal.

Madam: It is my duty to write to
you and send you all my thanks for
what you have done for my little girl.

Never shall we know how to ac-
knowledge all that the Americans
have done for these poor little orphans
at this sad time, when the war has
made so much unhappiness. How long
will it still last?

We hope that we shall soon come to
the end of this terrible warfare, the
cause of all these misfortunes, and
that we shall come out of it victori-
ous.

It is now two years since I lost my
husband, at the end of typhoid fever,
contracted at the front. I can say that
he was a brave soldier, and that he
loved his country. After his death I
received a letter from his captain,
telling me that he was upon the point
of proposing him to the rank of ad-
jutant as a reward for his bravery
and good conduct under fire.

This will not bring him back to me,
but I am proud of it. He was very
good to me and he would have done
everything for his children. Now it
is necessary for me to ask for work
and health to bring up my two chil-
dren. As for courage, I have it, and
it is necessary.

I promise to give you news of your
little protegee from time to time.

Please receive, Madam, my sincere
thanks, the expression of my deep
gratitude.
