Mary Austin Gives Interesting Talk

Arts and Crafts Hall was comfortably filled last Friday evening by those who had come to hear Mary Austin lecture on "The New Principle of Nationality."

Probably the dominant thought carried away by Mrs. Austin's hearers was that ante-bellum conditions—economic, political, social and moral—had gone, never to return. Even now we are in the midst of an evolutionary era.

Peace, not the peace to follow this war, but general peace, is a long way off. "There will be revolutions, upheavals, risings, for years to come at the close of this war," says Mrs. Austin. The adjustments must be made mainly along racial lines. The attempt of the Central Powers to force upon peoples that which is opposed to environment and soil characteristics cannot but fail.

Not the least interesting feature of the evening came at the close of Mrs. Austin's talk, when several of the audience asked questions on a variety of apropos subjects. In the main these questions were satisfactorily answered.

Touching the benefit for which the evening's affair was given—Armenian and Syrian relief—Mrs. Austin said: "We must not permit those peoples to be exterminated, not so much because of the suffering involved, but because they have so much to contribute to the working out of an adequate readjustment of conditions."

The offering amounted to over forty dollars.

"Haig" and "Pershing" Visit Carmel

Carmel folks had an opportunity to see and hear about "Pershing" and "Haig," the two war dogs, at the Forest Theatre last Sunday morning.

These English sheep dogs were in France for two years and a half in war service, and during that period it is said they saved 1062 lives.

These wonderful California-born animals, worn and wounded, are now on furlough, and will return to France. They were brought here by Mrs. Walter Colverd and Miss Lillian Gatlin, who are collecting funds for the Blue Cross, an organization which cares for animals wounded in war work. \$60 was Sunday's contribution.

Pine Needles

Marriage license: Robert D. Wolter, 20, and Viola Artellan, 16, both on Monterey, with consent of the former's parents, and of the latter's mother.

A. W. Atwood and family of Stockton are visitors here. Mr. Atwood is a member of a large printing concern.

Miss Jeannette Hoagland and a number of Carmel misses will take part in the California Children's Committee affair for relief in Belgium and France, to be held in Peters' Villa, Monterey, next Monday afternoon.

Mr. I. B. Waterbury has word from France to the effect that his sister, Miss Ruth, a Red Cross nurse, is very ill.

Mrs. Oliver Rask is to leave soon for Washington State, where she will be near her husband, who is now stationed at Camp Lewis.

Miss Claude Von Publ, who has been a guest at the Michael Williams home, has returned to San Francisco. Her sister, Miss Gretchen, is to be married soon.

Louise and David Prince have returned from the city, where they have been visiting several weeks. David is attending public school, and Louise will be a pupil of Miss E. L. Williams.

Mrs. Mary Austin and a party of friends picniced at Midway Point last Friday.

Prof. James T. Allen of the University of California is spending a brief vacation here.

Mrs. W. B. Canine, who for several months has made it her particular business to collect funds for the Belgian Babies, was the recipient of a \$50 check for the fund. It was a Christmas gift.

Mrs. E. R. Rankin and Miss G. Collins motored down from San Jose last Sunday, and were guests of the Overstreets. Mrs. Rankin is a sister of A. W. Saxe, for many years an official at Agnew State Hospital.

Mrs. Louis Mullgart and son, who have been spending a vacation here, returned to the city yesterday.

There will be no school vacation next Monday (Labor Day), but on the following Monday (Admission Day), the teachers and pupils will have a day off.

Mr. and Mrs. Samuel O'Connell, parents of Mrs. Mabel Slevin, expect to leave shortly for their Montana home. We wish them a pleasant journey, but trust they will soon return to Carmel.

The little Machado home down by the Mission may now display a two-star service flag. Bill is in France and Dave left last Tuesday for Camp Kearney.

Mr. Edgar Williams, President of the State Civil Service Board, is a Carmel visitor. He has been boosting for Governor Stephens' nomination and election.

L. S. Slevin was away for several days last week. He accompanied a party of the California Academy of Sciences on a trip down the Coast.

Mrs. Beck, wife of Dr. J. E. Beck, has been called East by the grave illness of her mother.

We desire, through the the Pine Cone, to extend to the Manzanita Club, the Carmel Hall Association, and to all who in any manner assisted in making the moving picture benefit the substantial success it was, our most hearty thanks and sincere appreciation.

Ivy Basham

The Carmel city trustees will hold their monthly meeting at the City Hall next Tuesday.

County Tax Rate Fixed

The Board of Supervisors have established the tax rate for the fiscal year. On each \$100 of assessed valuation the rate is \$1.52 in Carmel, Pacific Grove, King City, Salinas, Monterey, and Castroville. The rate is \$1.92 outside of incorporated cities, because of a 40-cent levy for the county road fund.

The tax is apportioned as follows: School fund, 30c.; salary fund, 20c.; hospital fund, 13c.; current expense fund, 40c.; advertising fund, 1 cent; county high schools, 11c.; highway and bridge bonds, 24c.; State highway bonds, 11c.

WHAT A NEWSPAPER MEANS

Some Truths That the Average Man May Not Have Realized, but Here They Are.

What does the newspaper mean to you?

There is so much news no one can carry all of it. Someone must make selection. Do you appreciate how much depends upon this selection? Upon the selection and emphasis of the news depends the picture of the world upon which your judgments are based.

If a business man, your decision in business is affected by the newspaper you read.

In politics your opinions as a voter are swayed by them.

By what your wife reads you can see the trend of many of her interests and needs.

You have your thought turned in a new channel perhaps by what you read, and, when you find others concerned as you are and that the idea has been followed in their brains as in yours, you possibly discover how you can do collectively what you alone never could accomplish.

The newspaper enlarges the viewpoint of life for your boy in his college years. Stories of high purpose of achievement strengthen and uplift his standards. The great world of life which he has not touched exists to him only as presented by the newspaper.—New York Evening Mail.

ALL WILLING TO PAY FARES

Reason Why Citizens of Lima, Peru, Do Not Seek to Evade Their Street Car Obligations.

If fare registers were to be placed in the street cars of Lima, Peru, there would be a loud protest. This is not because it is easier to dodge the conductor under the prevailing system. On the contrary, the travelers of Lima are willing, even anxious, to pay their fares. Perhaps that doesn't seem human, but the explanation is that upon receipt of the fare a numbered ticket is presented to the passenger, and it is a valuable lottery ticket.

The car lines are divided into four sections for the monthly and semi-monthly drawings conducted by the railway company. In the three important sections a cash prize of \$150 is offered. The fourth section offers a prize of \$50.

Does the public approve of the lottery? Does it? Well 28,500,000 persons rode last year.

Silkworms of the Sea.

Plenty of worms live in the sea, and some of them are very beautiful creatures. Which latter fact ought to be consoling to ourselves, inasmuch as there are naturalists who contend that the earliest ancestor of the human race was a marine worm. But the so-called "silkworm of the sea"—the designation being purely figurative and poetical—is a bivalve mollusk properly known as the "pinna" and native to the Mediterranean. It spins a silk so beautiful that in ancient days the fiber was reserved exclusively for the weaving of royal garments. This silk is spun by the mollusk to furnish an anchor line by which it fastens itself to a convenient rock. It is extremely fine and very strong. Cleaned, dried and passed through combs, it is reduced to delicate threads of a lustrous brownish-yellow hue, which are woven into gloves, stockings and other articles. A pair of stockings of this material today costs \$6.—Philadelphia Ledger.

War Time Sweeteners

AMERICA has several excellent war time sweeteners that will be used largely during the shortage in the sugar supply.

They are maple sugar, syrups, honey and molasses and may be used in preparing desserts and other dishes requiring sweetening. When a cup of syrup or honey is used to replace a cup of sugar the liquid in the recipes should be decreased one-fourth. One-third of a cupful of sugar is equivalent to one-third of a cup of honey, about one-half cup of syrup and about one-half cup of corn sugar. One-fourth of a cup of sugar is equal to about one-half cup of syrup or one-third cup of corn sugar. One tablespoon of sugar is equal to one tablespoon of honey, about one and one-half tablespoons of syrup and one and one-third tablespoons of corn sugar.

Sugar may be saved by the use of raisins, dates, figs, dried pears and fruit pastes used on the breakfast cereals. Fruit marmalades, butters and jellies should be used to take the place of the ordinary sweetening at a meal and not as accessories to it. Fruits may be preserved without sugar. It may be added when sugar is more plentiful. Preserving demands this year a thin syrup instead of a heavy syrup.

If sugar is used one-half of the amount may be replaced by another sweetener.

Drying is a means of preserving (without sugar) apples, cherries, strawberries and black caps.

When ready to use they may have added the needed sugar in the form of a syrup. When sugar is more plentiful fruit juices may be made into jellies or may be used as fruit juices with or without sugar, as beverages, fruit gelatins and frozen desserts.

Fresh fruits supply the place of sugar in the diet. They should be used freely. Desserts where sugar is scarce may be made of gelatins, junkets, custards, puddings and cakes.

All-Americans Can Serve

Every man, woman and child in this country, who wants to serve the country, can serve it and serve it in a very simple and effective way, says Secretary McAdoo.

That service is to lend your money to the government. Every 25 cents loaned to the government is a help at this time and practically every man, woman and child, by making some trifling sacrifice, some denial of a pleasure, or giving up some indulgence, can render the government that support.

lowing articles: Metals, rubber,
paper, tin and lead foil, glass jars,
cotton and burlap bags, furniture,
rags, clothes, etc.

The use of two sewing machines
is required by the Junior Red
Cross Auxiliary of Sunset School.
Who can spare these?

Uniforms or badges for home
service workers were tabooed by the
A. R. C. Directors of Civilian Re-
servation at Washington recently. It
was the unanimous opinion that
the real purpose and strength of
their accomplishment lies in main-
taining a civilian status and ren-
dering service without advertise-
ment or public notice.

American prisoners of war de-
pend exclusively upon food sup-
plied them by the Army and Navy
through the American Red Cross

Fine Picture-Lecture

On Saturday night the Metho-
dist Church here was crowded by
a much interested audience at-
tracted by the announcement that
Dr. Frederick Vining Fisher of
the Committee on Public Informa-
tion, was to give an illustrated lec-
ture on "America! the Hope of the
World at War."

The speaker uttered facts which
were most startling, and moved his
hearers to resolve anew to make
any sacrifice to defeat the German
menace. The many hand painted
views revealing the majestic glory
of America captivated the people.
The lecture was the most inform-
ing of its kind yet given here, and
Dr. Fisher is to be complimented
on so thorough a knowledge of his
subject.

Moving Picture Benefit

The Basham moving picture benefit last Thursday night realized \$182.60. Based upon the admission prices of 25 and 15 cents, the amount raised would indicate that about 913 persons attended the two performances. Not so. A number of extra contributions were made by the following:

Mesdames—Taylor, Beardsley, Murphy, Stewart, Dutton, Yord, Powers, Mellis, Du Bois, Stohr, Ralph.

Messrs—Devendorf, Larouette, Holme, Curtis, Mikel, Williams, Beck, R. G. Leidig, Comings, Hand, Holton, John Stewart, Ben Leidig, director of music; The Pine Cone, printing and advertising; A Friend federal war tax.

ITEMS OF INTEREST.

Rev. F. W. Goodman has returned to Sierra Madre. Mrs. Goodman will remain here until the end of September.

A patio tea will be held at the home of Mrs. W. C. Watts on Saturday afternoon. The affair is for the rectory fund of All Saints Church.

Frederick Preston Search, by appointment of the Navy Department, is being featured all the week as special soloist at the Columbia Theatre, San Francisco, the occasion being the naval play, "The Rose of Querreto," given for the benefit of the Naval Hospital at Mare Island.

Mary Pickford in "The Little American" at the movies Saturday night.

Another fire! The local fire department was called out Tuesday afternoon to extinguish a brush fire in the rear of the David Starr Jordan residence on Camino Real. A Chinese servant emptied a pan of hot ashes on the dry needles and the wind got busy. Ashes must be put in metal receptacles.
